

Call for Expression of Interest - The Night Shift

Do you feel more creative at night?
Do you have a fresh idea for how to use a corner of The Theatre Centre?
A hallway, a cafe table, the green room?
Do you have an urgent idea you need time to create, right now?

Night Shift is The Theatre Centre's response to the lack of free creative space in the city.

We are offering free space for artists to experiment with their respective practices at unconventional hours. We are inviting artists, makers, writers, and thinkers, who want to create during this "alternative time" for a 1-week duration. We'll even provide the coffee!

Timeline:

Applications Due: Friday, May 17 2024 at 11:59PM EST

Announced: Monday, May 27, 2024

Night Shift hours: Nightly, Monday, June 10 at 10PM - Saturday, June 15 at 8AM, 2024

How to apply:

[CLICK HERE](#) to complete the form (you can upload a video to the form in place of a written response if preferred).

Please do not spend too much time on your application! We just want a general sense of your vision.

Artists and creators of all disciplines can apply. You are not required to use all available hours/days, but those who plan to use more time will be given priority.

While there is a presentational element to this offering, this is not a paid programming opportunity.

Expressions of interest will be reviewed by staff from The Theatre Centre and community members for aspects such as feasibility and relevance to the program. **Please note, The Night Shift is not intended to be used as rehearsal space for a project currently in production.**

Helpful tip: We're looking for ideas and creators that really thrive at night, and do not have significant/complex technical or storage needs.
